

## Here's What Some Of Our Franchisees Have To Say...

*"Becoming a Driver Hire franchisee has absolutely changed our lives! I've gained all the benefits of being self-employed: the opportunity to run and grow our business, the freedom it can bring and the ability to make decisions for ourselves. It's certainly given me things I wouldn't have had if I'd stayed employed."*

**John Griffiths – Driver Hire Taunton Franchisee**

*"Operating at the £1m turnover mark, naturally I'm looking to grow the business even further to maximise its future sale price. The business has changed my life and my family life considerably compared to being employed. The business affords a good lifestyle, but you must put the work in at the start and have a good team around you to achieve this. It's been a great move and I love what I do."*

**Gary Riches – Driver Hire Colchester franchisee**

*"Buying my franchise was the best career move I have ever made. I love the systems, quality control and high standards that Driver Hire embraces - follow the model, and it will work. I am very proud to be a Driver Hire Franchisee and delighted to have been able to renew my franchise agreement for another 5 years."*

**Amanda Jeffries – Driver Hire Wisbech & The Fens Franchisee**

*"I cannot recommend and thank Driver Hire enough for providing me with such an opportunity for a dream career and lifestyle. The support during the process, advise as well as guidance throughout my years with Driver Hire has been a key element to a great working partnership. They have the personable touch, yet a solid national brand that is associated with quality and expertise. Thank you to all at Driver Hire and to anyone thinking about it, don't miss the opportunity!"*

**Nic Chaviaris – Driver Hire Gatwick Franchisee**

*"Whilst the financial side is key, I just enjoy running a Driver Hire franchise. We've taken people who were unemployed on to our books and found them full-time jobs. That's an amazing feeling. I love hearing a client say to me: "He's perfect for the job, can I keep him?"*

**Ed Pockney – Franchisee at Driver Hire Uxbridge**

*"I just love the business. I could see the potential and the idea of making it mine was an exciting one. I still feel the same. The big difference I've noticed is that, as your own boss, you really cherish success."*
